WRITING

Dear Sir/Madam,

I saw your advertisement, while I was reading a magazine. It thrilled and excited me. So, I would like to introduce myself and my band.

We call us "Odd wisps". We are a rock band, therefore we sing and play music together. I love in music absolutely everything as my friends: play chords, make lyrics and etc. We've been playing together since twenties. We appreciate each other and every member in our band is so important. My friend Artyom Bondar' plays rock guitar. When we heard him at first time, everyone of us felt goosebumps. Lev Kurilov plays drums. He gives us a rhythm. Dmitriy Kosyanenko plays bass guitar and sings. He is our main singer in a group. And I am. I play on piano. It's too important instrument in every band. We have local popularity in our school. Some people every time say: "You deserve more popularity, than you have right now!" So, we decided to send this letter to you. I sure that we have enormous potential.

Keep in touch,

Vladimir
